## National Touring Production of *American Giants of Science* to Perform Locally

Bright Star Touring Theatre, a national professional touring theatre company based in Asheville, NC, is visiting the area with a public performance of their acclaimed show ***American Giants of Science***.

***American Giants of Science*** - Thomas Edison, Dian Fossey, Benjamin Franklin, Steve Jobs and more all make their appearance in this fast-paced show. In a whirlwind tour through time, your young audience meets some of America's most famous inventors and scientists. The best part of this program is the audience interaction. We feature audience volunteers onstage that help Ben Franklin fly his kite, work with Alexander Graham Bell on placing a phone call and so much more. This rollicking educational adventure is laugh-out-loud funny.

***American Giants of Science*** is best appreciated by audiences in grades 2nd and higher.

Each year, Bright Star Touring Theatre serves nearly 1,400 audiences in schools, theaters, libraries, museums and more across the country. They offer a wide variety of curriculum-based programs ranging from *The Lady of Bullyburg* to *Heroes of the Underground Railroad*. The company has gained international support, accepting an invitation from the U.S. Embassy to visit Moscow, Russia with their programs. Bright Star is committed to providing professional theatre to audiences at an affordable and all-inclusive rate.
