National Touring Production of *Bella Under the Bullying Big Top* to Perform Locally

Bright Star Touring Theatre, a national professional touring theatre company based in Asheville, NC, is visiting the area with their acclaimed production of ***Bella Under the Bullying Big Top!***

Bella Under the Bullying Big Top is a 45-minute production. The circus is coming to town with an anti-bullying message. Under the Big Top, things aren't going well, as a new performer would rather spend his time bullying the performers than building friendships. Ringmaster Bella works with the audience to come up with a number of tools to help end the bullying and teach the importance of teamwork, compassion and respect. Circus themed interactions abound in this fast-paced show.

Seen by audiences across America, ***Bella Under the Bullying Big Top*** is best appreciated by audiences in grades PreK-5th.

Bright Star Touring Theatre serves nearly 1000 audiences annually with a variety of programs ranging from *Heroes of the Underground Railroad* to *Aesop's Fables*. The company has routinely performed at the National Theatre in Washington DC and other venues. The company is committed to providing professional theatre to audiences at an affordable and all-inclusive rate. Information about all the interactive shows touring this season, including production videos, photos, study guides and more is available online at www.brightstartheatre.com.
