National Touring Production of *American Giants of Science* to Perform Locally

Bright Star Touring Theatre, a national professional touring theatre company based in Asheville, NC, is visiting the area with their acclaimed production of ***American Giants of Science!***

American Giants of Science is a 45-minute production. Thomas Edison, Alexander Graham Bell, Benjamin Franklin, Steve Jobs and more all make their appearance in this celebration of American scientists and inventors. In a whirlwind tour through time, the audience is given the opportunity to meet a number of American scientists and interact with several of them. Audience volunteers join the actors on-stage to do everything from help fly Benjamin Franklin's kite to placing the first phone call with Alexander Graham Bell.

Seen by audiences across America, ***American Giants of Science*** is best appreciated by audiences in grades 2-6th.

Bright Star Touring Theatre serves nearly 1000 audiences annually with a variety of programs ranging from *Heroes of the Underground Railroad* to *Aesop's Fables*. The company has routinely performed at the National Theatre in Washington DC and other venues. The company is committed to providing professional theatre to audiences at an affordable and all-inclusive rate. Information about all the interactive shows touring this season, including production videos, photos, study guides and more is available online at www.brightstartheatre.com.
