National Touring Production of *The Legend of Sleepy Hollow* to Perform Locally

Bright Star Touring Theatre, a national professional touring theatre company based in Asheville, NC, is visiting the area with their playful adaptation of *The Legend of Sleepy Hollow*.

The Legend of Sleepy Hollow is a 45-minute production which is returning from a successful national tour in 2011. In this fun-filled retelling of Washington Irving's classic tale, the bumbling schoolmaster Ichabod Crane is in love with Katrina Van Tassel, the loveliest girl in town. Katrina, however, happens to be with the town prankster, Brom Bones. Crane refuses to give up, but his pursuit of Katrina finds him face to face with the legendary headless horseman on a stormy night—or is this just another prank by Brom Bones?

Your young audience will especially love watching several volunteers become members of the Sleepy Hollow town choir. Enjoyed by audiences across the United States, *The Legend of Sleepy Hollow* is best appreciated by audiences in grades 2-6.

Bright Star Touring Theatre serves nearly 1,000 audiences annually with a variety of programs ranging from *Heroes of the Underground Railroad* to *Aesop's Fables*. The company is committed to providing professional theatre to audiences at an affordable and all-inclusive rate. Information about all the interactive shows touring this season, including production videos, photos, study guides and more is available online at www.brightstartheatre.com.
